

## - NYSC SERVING (PPA) CHECKLIST -

(Bring originals and at least 2 photocopies of everything!)

- NYSC ID card..... ☐
- A pen (Better yet, 2)..... ☐
- Photographs (at least 8)..... ☐
- Original and photocopies of your posting letter..... ☐
- Original and photocopies of your acceptance letter..... ☐
- Allowee bank account details..... ☐
- All Important Documents (see registration checklist)..... ☐

### -Steps to take-

1. Take your posting Letter to your assigned PPA and secure it.  
There are two possible outcomes:-
  - (Acceptance) If you are accepted by your PPA then you have no stress, just take your acceptance letter to your assigned local government and begin the registration process.
  - (Rejection) If you are rejected, you will be given an official letter of rejection. Take it to your assigned local government office. You will have to find another PPA for yourself. You can check if your local government has any openings.
2. Go to your assigned allowee bank and set up your corper bank account.
3. Take all the items on the checklist and head to your local government office. Sadly, you will have to go through another registration process there.
4. Don't forget to sign up for a SAED or CD. Good luck!
